MEMORANDUM FOR: Acting Chief, DPD

SUBJECT: Recruitment of SAC Personnel for
Project OXCART

1. This memorandum contains a recommendation for the approval of the Acting Chief, DPD. Such recommendation is contained in paragraph 5.

2. The effective implementation of the operational concept for Project OXCART requires that an operational staff of the highest professional competency be assigned [] and to Project Headquarters. By virtue of the similarity of OXCART and SAC operations, experienced SAC personnel, who are currently participating in strategic air operations, are considered best qualified to meet this high standard. Additionally, their familiarity with SAC operational procedures, organization, and personal contacts would result in more efficient and effective dealings with SAC.
